High Tech Parking Hits Downtown

WHAT:

50 new multi-space, pay & display parking meters in selected areas downtown to maximize parking opportunities.

WHEN:

- Meters **'Go Live'** Monday, June 5th, 8 a.m.
- Parking is enforced Monday through Saturday, 8 a.m. to 6 p.m. except certain holidays.

WHY:

- Provide more payment options for parking customers; including credit cards, prepaid parking meter cards and coins.
- Allow easy programming for rate changes, holidays and special events.
- Consumers will have receipt for their parking with the expiration time on it.
- The meters give a direct report to City Staff when they need service or emptying saving significant time & labor for City staff.
- Meters provide invaluable data for future parking design by reporting data by usage by area, date, time, payment type.
- One pay & display meter can replace 10 single head meters. Single-head, traditional meters are getting increasingly difficult and costly to replace.
